FIGURE 01: Rainfall received last 24 hours ending at 0830 hours on 7 December 2019**Rainfall received last 24 hours ending at 0830 hours on 7 December 2019**

Prevailing showery condition over the island particularly in the Northern, North-Central, Eastern and Uva provinces is likely to enhance to some extent on 09 and 10 December.

Showers or thundershowers will occur at times in Batticaloa, Ampara, Badulla, Monaragala, Hambanthota, Nuwara-Eliya, Matale and Polonnaruwa districts. Several spells of showers will occur in Mullaitivu, Vavuniya and Anuradhapura districts. Showers or thundershowers will occur elsewhere after 1.00 p.m. Fairly heavy showers of about (50-75) mm are likely at some places in Sabaragamuwa and Uva provinces and in Galle, Matara and Kaluthara districts.

Increase of wind speed is expected up to 50Kmph and in sea areas it may go up to 70Kmph.
