

Bulletin No: 02

WWO/24/05/22/01

COLOR: Red

Advisory for strong winds and rough seas.

Issued by the Natural Hazards Early Warning Centre
Issued at 01.30 p.m. 22 May 2024. Valid for next 24hours.

For Naval and Fisherman communities in the deep-sea areas in the South-eastern Arabian Sea and in the southwestern Bay of Bengal Sea

PLEASE BE AWARE!

A low-pressure area is very likely to form over the southwest Bay of Bengal by May 22, 2024. It is very likely to move northeastward and concentrate into a depression over the central parts of the Bay of Bengal by May 24, 2024. Then it would continue to move northeastward and intensify further.

Very strong winds (60-70) kmph, accompanied with heavy rainfalls and very rough seas are likely over the sea areas around the country and over the South-eastern Arabian Sea areas and southwestern Bay of Bengal Sea areas.

Naval and fishing communities are advised not to venture into the sea areas marked by **RED** color on the map below until further notice.

Naval and fishing communities are also requested to be attentive to future forecasts issued by the Department of Meteorology in this regard.
