

Bulletin No: 01

LRW/26/05/15/01

COLOR: Red

Warning for Heavy Rain

Issued by the Natural Hazards Early Warning Centre
Issued at 09.30 a.m. on 15 May 2026 valid for the period until 08.30 a.m. 16 May 2026

For Western, Sabaragamuwa, North-western provinces Galle and Matara districts.

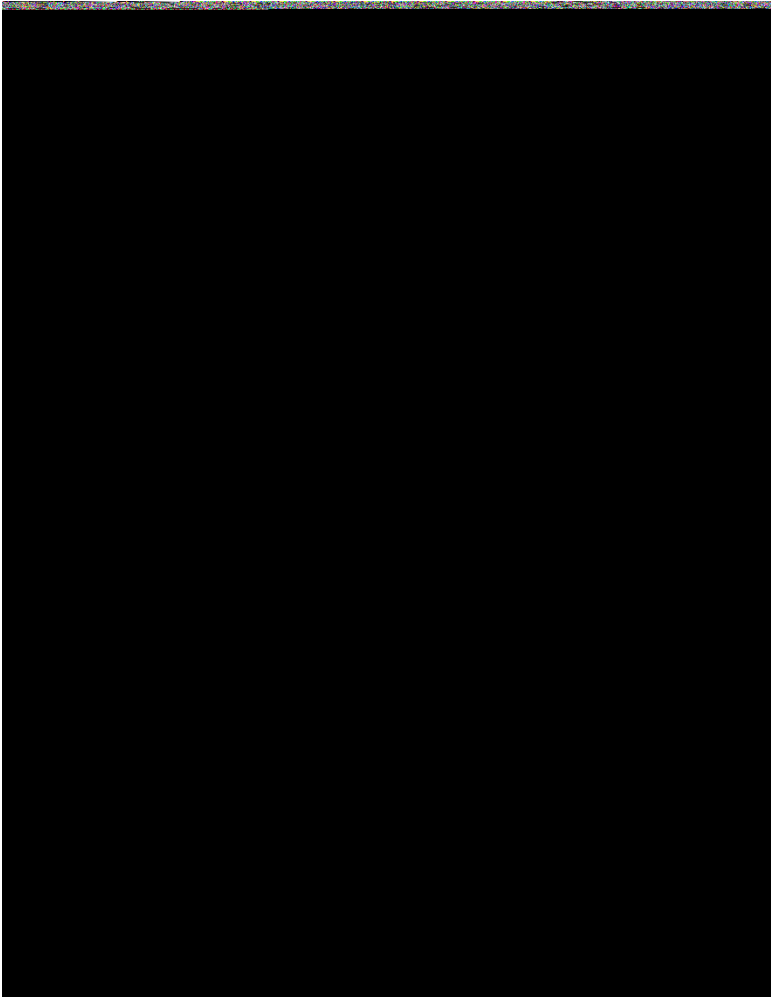

Take action!

The low-pressure area located northeast of the Sri Lanka, still persist. This system is expected to move away from Sri Lanka during the next 36 hours according to the latest weather analysis based on May 15th morning.

Very heavy showers about 150mm are likely at some places in Western, Sabaragamuwa and North-western provinces.

Heavy showers above 100mm are likely at some places in and in Galle and Matara districts.

Therefore, general public is advised to take adequate precautions to minimize damages caused by heavy rain, strong winds and lightning during thundershowers.
